

The Mill is now a registered COVID-Safe business!

We are committed to the health and safety of our staff and community thus the conditions below have been implemented to ensure you can enjoy your time at The Mill safely.

It's important to note that we are beyond appreciative of the support you have shown us so far and we only ask that you continue to be understanding of our policies and the staff whose job it is to enforce them during this difficult time.

Being a COVID-Safe venue means:

- We have a venue capacity of 300 people
- All reservations are for 10 people or less
- All visitors and staff are required to provide contact details upon entry. We are using both manual and contactless guest registration systems
- All visitors are required to be seated whilst eating and drinking
- We must enforce social distancing requirements, including the use of floor markers and signage
 - Sanitisation stations are available at all entries and throughout the venue
 - There will be a dedicated COVID-19 Safety Marshall responsible for cleaning, sanitation and social distancing

Lastly, if you have any questions, please do not hesitate to contact us at any time info@themill.com.au
